Hey everyone! Soup Club is doing a Thanksgiving canned food drive! So if you have any canned foods that you want to donate, please drop them off at Ms. Fischer's room A101. All donations go to the Westside Food Bank in cooperation to help feed the hungry this holiday. Thanks! (11/21)

Answers from our Astronaut

Samohi alum, Astronaut Colonel Randy Bresnik is currently orbiting the Earth in the International Space Station (ISS). Last year, students submitted questions for him to answer. Here is this week's question and answer:

When do you start eating space food?

The minute we get to space. In our case, we had a meal before going to bed after a very long Launch, Rendezvous and Docking day on July 28th.
