

Prom Boutique

A night to remember, dancing under the stars, walking the red carpet, a high school tradition.

Did you know the average prom night in the US costs \$1000?

Our goal is for every student to look and feel special celebrating on prom night.

We will be collecting formal dresses, formal wear, gently used shoes, purses, jewelry, other formal attire accessories such as ties, bowties, and unopened cosmetics and hosiery to provide them free of charge to students who otherwise couldn't afford the prom attire to make the night magical.

Take a look in your closet. Is there a dress or two in there that you wore in a wedding, or to a formal dance, that you're unlikely to ever wear again? Do you have a suit or sports coat that no longer brings you joy? Donate now to the Santa Monica High School Prom Boutique!

Donations accepted March 1st- April 26th at Santa Monica High School.

We distribute the dresses and accessories during our Prom Boutique. May 9,10,11. Each student receives individual assistance from a volunteer personal shopper as they look through our inventory for the dress or suit of their dreams.
