

Hello, Samohi Vikings!

We appreciate your time in responding to these two surveys listed below. You can start with either survey you like. Once you finish with one survey, come back to this page and start the other one.

Be sure to thank your math teacher for allowing us to take these surveys during their class time!

Some tips:

- Please take your time to respond to the survey questions
- Reflect be thoughtful in your responses
- If you are not sure what the question is asking, ask for clarification

The links to both surveys can be found here.
