- \$28 for **PSAT registration** (optional for ninth and tenth grades, recommended for eleventh graders)
- Ninth, Tenth, and Eleventh Grades: \$16 - \$46 for **School Picture Packets**

## First Day of School Instructions

School begins on a late start Wednesday, September 9<sup>th</sup>, Period 1 at 9:36 am. (There is no Period A on Wednesday, September 9<sup>th</sup>). We hope to make the first day of school as smooth as possible for all students. Please read these instructions carefully and plan to arrive at school early to locate your classes.

For those students who are new to Samohi, volunteers will be posted around the campus to help you locate your classroom.

### Schedule Distribution:

Please arrive at least 10 minutes before Period 1 to look at the grade level lists posted in the **Science Quad and Main Quad Breezeway** to find your Period 1 classroom number. Proceed to that classroom. Complete schedules will be distributed in Period 1. It is best to copy your schedule into your Binder Reminder in case you lose the schedule.

If you arrive after the end of Period 1, you should report to Cafeteria.

### Schedule Changes:

**Attend all the classes listed on your schedule the first day** even if you believe there are errors. If you wish to request a schedule change you must complete the “Student Request for a Schedule Change” form and bring it with you on your grade’s day to schedule an appointment for schedule change. Requests will be screened and students with approved requests will be given a counseling appointment in their House Office. “Student Requests for a Schedule Change” form will be made available starting Friday, September 11<sup>th</sup>, for freshmen. The forms are available before and after school or during lunch only in the House Office.

### Miscellaneous Information:

The District allows students to have cell phones on campus, but they must be turned off during class time. Cell phones may be used before and after school and during lunch only. Students are encouraged to leave expensive electronics at home (i.e. iPod, Dell DJ). Samohi is not responsible for lost or stolen items.

**Have a Great First Day of School!**
